2. UW-210744 **Lakeland Village Water Company, Inc.**

Proposed Tariff revisions filed as a general rate case that would increase annual revenues by approximately \$46,000 (17.2 percent) as a rate plan over a two year period. The company will receive \$38,506 (14.3 percent) in the first year and then the second year rates will produce the full \$46,000 revenue requirement. The proposed increase is to cover increased operating expenses of labor, insurance, fuel, electricity, and other operating costs. Additionally, ancillary charges will also be adjusted to recover cost directly incurred by customers. The water system provides water service to approximately 900 customers Mason County. The company's last general rate increases were effective on January 1, 2011, for \$38,940 (17.5 percent).

Tariff Revision

---

3. UW-210833 **Wildwood Water Company LLC**

Proposed Tariff revision to add a Capital Improvement Surcharge that would generate approximately \$12,230 (11.6 percent) additional annual revenue for a period of three years. The company states the surcharge recovers 70 percent of the cost incurred for the emergency replacement of failed water pumps. The company serves 228 customers on two water systems near Oak Harbor on Whidbey Island in Island County. The company's last rate case became effective on April 30, 2020, for \$4,100.

11. TG-210883

**Waste Management of Washington, Inc.**

Request from the North Sound/Marysville business unit to retain up to 50 percent of the revenue received for the sale of recyclable commodities in accordance with the 2022-2023 Revenue Sharing Plans with King and Snohomish Counties; and requested \$2.06 decrease (decrease from a charge of \$0.25 to a credit of \$1.81) per month for residential recycling customers in King County; and requested \$2.08 decrease (decrease from a charge of \$0.17 to a credit of \$1.91) per month for residential recycling customers in Snohomish County. Also includes an increase to garbage rates due to a disposal fee increase at all King County Solid Waste facilities, which will increase from \$140.82 to \$154.02 per ton on January 1, 2022. The disposal fee increase would increase revenues by approximately \$672,000 (4.7 percent). These tariff revisions also reflect a 5.4 percent increase to the King County Local Hazardous Waste Fees. The company serves approximately 115,000 garbage, recycling, and yard waste customers in King and Snohomish Counties. The company's last general rate case became effective September 1, 2015.

Tariff Revision

---

12. TG-210884 **Waste Management of Washington, Inc.**

Request from the South Sound/Seattle business unit to retain up to 50 percent of the revenue received for the sale of recyclable commodities in accordance with the 2022-2023 King County Revenue Sharing Plan; and requested \$2.42 decrease (decrease from a charge of \$0.27 to a credit of \$2.15) per month for residential recycling customers in King County. Also includes an increase to garbage rates due to a disposal fee increase at all King County Solid Waste facilities, which will increase from \$140.82 to \$154.02 per ton on January 1, 2022. The disposal fee increase would increase revenues by approximately \$375,000 (3.7 percent). These tariff revisions also reflect a 5.4 percent increase to the King County Local Hazardous Waste Fees. Also includes a requested waiver from a condition listed in Order 01 of Docket TG-201013. The company serves approximately 17,700 garbage, recycling, and yard waste customers in King County. The company's last general rate case became effective March 1, 2021.

Tariff Revision

## F. NO ACTION

Item	Docket	Re/Filed Effective	Company Description
1.	UE-210666	8/30/2021 1/1/2022	<b>PacifiCorp</b>  Revises Tariff WN U-76, Schedule 70 (Renewable Energy Rider – Optional) and Schedule 73 (Renewable Energy Rider – Optional Bulk Purchase Option), decreasing the size of renewable energy blocks under the Blue Sky Program from 200 kilowatt-hours (kWh) to 100 kWh per block. This change passes through the increased cost of renewable energy credits to the customer, and increases the voluntary cost for a customer to fully offset its energy usage with renewable energy.  Tariff Revision  Staff Contact: Joel Nightingale +1 (360) 664-1154 <a href="mailto:joel.nightingale@utc.wa.gov">joel.nightingale@utc.wa.gov</a>

2.	UE-210759	10/1/2021	<b>Puget Sound Energy</b>
		1/1/2022	Revises Tariff WN U-60, Schedule 51, LED (light-emitting diode) Lighting Service Company Owned, and Schedule 53, Street Lighting Service, adding Smart LED lighting services, and allowing the company to replace obsolete non-smart LED, high pressure sodium vapor (HPS) and metal halide (MH) lights with smart LED lamps and luminaires. Upon replacement, customers will be charged the new rates under these schedules. The filing incorporates the new rates for this service in Schedules 95, 95A, 120, 129, 137, 140, 141X, and 141Z. This change will increase the average rate for a kilowatt-hour (kwh) by 0.04 percent. Because this is a new service, the revenue impact is not known.
